

Estate Planning

Did you know that roughly 60% of the adults in the United States alone do not have any plans in place for their estate? Planning your estate allows you to be in control of your legacy.

You can join the Cornerstone Society by naming the AONL Foundation for Nursing Leadership Research and Education in your estate plans, and then informing the Foundation that you have done so.

If you do decide to include the Foundation in your estate plans, it is important to use the full, legal name: AONL Foundation for Nursing Leadership Research and Education. It also helps to include the Foundation's tax identification number: 27-2399044.
